

REMARKS

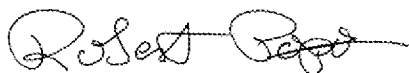

Claims 1-24 are currently pending and stand rejected. Claims 1-24 have been cancelled herein without prejudice and expressly reserving the right to present these and other claims in future related applications. Applicant presents new claims 25-37 herein. The new claims are supported in full by the original application (particularly at p. 12 l. 29 - p. 13 l. 27) and introduce no new matter.

Applicant further notes that the new claims clearly distinguish from the art on record, which does not teach a number of elements of the new claims such as the use of an object model, the modeling the product as issued to the subscriber, the model having a plurality of attributes of a product, characterized in that, the model enables a combination of the attributes to be created, the combination being arranged to determine the price for the product.

In view of the new claims, Applicant submits that the application is now in condition for allowance and respectfully urges the Examiner to pass this case to issue.

The Commissioner is authorized to charge any additional fees which may be required or credit overpayment to deposit account no. 12-0415. In particular, if this response is not timely filed, the Commissioner is authorized to treat this response as including a petition to extend the time period pursuant to 37 CFR 1.136(a) requesting an extension of time of the number of months necessary to make this response timely filed and the petition fee due in connection therewith may be charged to deposit account no. 12-0415.

Respectfully submitted,
